# **BUSY TIMES AHEAD** FOR CLEVER BOXERS CALLS TOMMY BURNS

# est in Wolgast-Rivers Go at Milwaukee.

By SAM P. HALL.

By International News Service. CHICAGO, Jan. 10 .- Johnny Coulon and Sinnett will meet in a tenbout at Racine, Wis., tomorrow It will be Coulon's first fight since last June, when he met Frankie Burns at Kenosha. On that occasion Burns made Coulon look like anything but a champion. His showing was so natch with "Kid" Williams. Coulon at the time was suffering from stomach ouble and has spent the past year in

trouble and has spent the past year in building up. He says now that he has regained his form and, after licking Sinnett, will wade through the other bantams as he did in days of yore.

The little fellows are to weigh 116 pounds at 6 o'clock. Coulon will be well under. Sinnett weighed 1157 today.

The trio of lightweights, Joe Rivers, Charley White and Joe Mandot, spent the afternoon whaling away at their sparring partners at the Lewis symnasium. They will repeat the performance tomorrow and then leave for their battles of Friday night. Rivers leaves for Milwaukee Thursday morning and will work there in the afternoon for his quarrel with Ad Wolgast on the following evening. White and Mandot will leave for the east tomorrow night. White will get off at Buffalo, where he expects to chasten Jimmy Duffy, while Mandot will journey through to New York, where he is billed for a bout with Johnny Lore.

Of pourse, the Rivers-Wolgast fight is

Of course, the Rivers-Wolgast fight is stirring up most of the interest in these parts. Wolgast is an ex-champion who is just about as good as ever. Rivers has been in two championship fights and "came close" both times. He had Wolgast in a had way on several occasions in their Los Angeles struggle and looked a sure winner over Ritchie for several rounds at San Francisco. So there is plenty of class involved in the engagement and the seat sale here and in Milwaukee presages a packed house, the best the beer village has had since the passage of the boxing hill.

Frank Mulkern, who is promoting the show in the old Hippodrome arena, must take in over \$7000 to break even. Wolgast sold his end to Mulkern for \$3400 and Frank is guaranteeing Rivers \$2500. Other expenses have been heavy. But the promoter is confident on cleaning up on the mill. He thinks the match will draw \$10,000. Of course, the Rivers-Wolgast fight is

#### **WOLGAST PROPOSES** TO GO AT TOP SPEED

By International News Service,

MILWAUKEE, Wis., Jan. 20.—Ad Wolgast went through another strenuous day of boxing and gymnasium work today in preparation for his ten-round bout with Joe Rivers on Friday night and at the conclusion announced that he was as physically fit now as he was in the days when he reigned as champion. The form shown by Wolgast is proving a decided surprise to local boxing followers. No matter how vigorously he works, the little fellow finishes almost as fresh as when he started. Wolgast has mapped out his plan of battle against Rivers and he says if the Mexican will stand up and fight, the match will not go the limit.

"Rivers does not like body punches and that's what I intend to hand him," Wolgast said today. "In our first battle I had him cringing and squirming from lefts to the midsection. He has not forgotten those blows yet. I have tested myself and I know i can go ten rounds at top speed. I don't intend to let this fellow rest a minute.

#### **ENTRIES START WITH** RUSH FOR AUTO RACES

LOS ANGELES, Jan. 20. The anderbift cup and Grand Prits o the Santa Monica course P neminated within a few minutes after the books were opened at the headquarters of the Western. ### Rheumatic Blood—THE Story That Millions Tell-The Way to Prompt Recovery

There is a host of pills, powders, tablets and what-not for rheumatism, but they all lack the first essential to being a natural medicine. To begin with, rheumatism is simply a name given to designate a variety of pains, and can only be reached by irrigating the entire blood supply with a naturally assimilative antidote. True, the pains may be eased with narcotics or the acids may be neutralized for the time being. But such methods merely temporize and do not even lead to a cure. There is a standard rheumatism remedy, and is sold in all drug stores under the name of S. S. S. Attempts are often made to sell some-thing claimed to be "just as good." Insist positively that you will have nothing but S. S. S.

It contains only purely vegetable elements and is absolutely free of mercury, lodide of potash or arsenic. The recoveries of all types of rheumatism by the use of S. S. S. is a fine tribute to the natural efficacy of this remarkable medicine, for it is assimilated just as naturally and just as well ordained as the most acceptable, most palatable, and most readily digested food. Do not fall to get a bottle of S. S. S. to-day. You will be astonished at the results. If your rheumatism is of such a nature that you would like to consult a specialist, write to the medical department. The Swift Specific Co. 107 Swift Bids. # **BOXING RING AGAIN**

Coulon Meets Sinnett; Inter- Pelkey's Manager May Try "Come Back"; Arthur Has Match at Taft.

> By W. W. NAUGHTON. By International News Service.

sistency, thy name is Tommy Burns When "G. B." Smith downed A. Pelkey with a hurtling right hander, T. B. wa so sore about it that he offered to fight Smith himself. A day or two late Smith himself. A day or two later Tommy thought better of it, one of the things which influenced him being that at present he bears about as much resemblance in conformation to the Burns who downed "Boshter Bill" Squires as Farmer John L Sullivan does to the "Boston strong boy" of the early 30s. Now Tommy is at it again. The lure of the ring is strong upon him and he is going to try himself out with one "Battling" Brant at Taft on January 28. If the result of the Brant affair warrants it. Tommy will challenge the world, "Gunhoat" Smith preferred, and will bet from \$5000 to \$10,000 on himself.

Tommy would not dare to talk like

self.

Tommy would not dare to talk like that around New York, where there is a commission which sees to it that the former heroes of the puglistic profession do not inflict themselves on the public. But maybe Tommy is merely having his little joke. Going after a fellow named Brant smacks of a wild goose chase.

Pelkey and "Edd" Kenneth, the oil belt hope, are to box at Taft on January 24, and Burns sends word that Pelkey is in better shape than when he met Smith. According to Burns, Pelkey's muscles are looser and his hitting ability greater.

Kenneth is going right along with his training and does not appear to scent disaster. He is buoyed up by what his manager told him. The latter, it seems, gumshoed into San Francisco and watched the Pelkey-Smith contest. When he returned to the derrick region he whispered to Kenneth, "You can lick the both of them."

Herbert Tay and Frank Uphan from the Halliday team, van Dyke from the Parlive and Siedoway from the Sall Lake high school basicethall quintette played the Hardware five during the first half. The Hardware five had a cary time and won by the acres of 25 to 4. #### GRANITE HIGH MEETS UTAH PREPS FRIDAY

The firesite high baskethall team will play the university "preps" Friday afterneon at the university grammatum. Neither team was solved used to play title week and both the coaches seem to be of the opinion that the teams need the game to keep those in the best of form. Coach abton of Granite has been running the entire equal through hard practices each evening this week and the men appear to be in the best of roudition. This fact encourages achion, as he wishes to be unable to find any fault in the line-up when he meets the Salt Lake high school a week from text Saturday. In all the games this nearen, except the game with the Weber academy the farmers have run up a high score against their opponents. The game with Weber was feel by a score of 2t to 5 after the hardest fight that was ever witnessed at the Weber. At that period the except the Granite boop throwers were it no condition and were hardicapped by the loss of the entry Jeans Hamilton and Thorum. Coach Beunion of the university has had the prop team under his wing and has practically goldhem counted into shape. When these two teams of their week points and expect to put up a stableon fight.
